adipower hockey II

Power is paramount in this incredibly light and agile shoe. A band of power provides energy return and lockdown support. Midsole comes miCoach-ready and lets you track the power you generate on the pitch.

- 'band of power' ensuring high energy return and lockdown support
- breathable mesh midfoot allowing fast drying and breathability
- closed forefoot ensuring snug fit and decreasing water absorption
- miCoach compatible

hockey just got smarter

miCoach SPEED_CELL can be clipped to your laces or placed in the mid-sole cavity of the adipower hockey II and tracks 360° speed and distance performance data.

micoach

Doing the work of a coach on the sidelines, miCoach Hockey provides unique insights to your form. Upload performance data captured with the X_CELL, every minute of your game is visualized and your performance profiled so you can focus your training more effectively. The App also includes guidance for short workouts to help improve speed, quickness, vertical and more.
